Dear Howie

Re: Mapua ATM at Mapua Hall

The Mapua & District Community Association wishes to thank you and your team for establishing the ATM in Mapua.

It seems to us that once an agreement was reached **with the Hall Committee**, it was only a short amount of time before the ATM was installed and working. We want to acknowledge the time and effort that went into this process. We very much appreciate it.

The feedback from this initiative has been overwhelmingly positive and the ATM is well used. People have also commented on the discrete appearance and location of the machine. We feel it is perfectly situated.

Thank you so much for your support of the Mapua and wider community.

Yours sincerely

Mary Garner
