

Mapua and Districts Community Association

Members' Input into TDC's Mapua Waterfront Masterplan

A review of TDC land in Mapua Waterfront which includes:

- Wharf
- Waterfront park
- Remediated land
- Grossi Point

Also included for comment:

- Aquarium Memorial
- Parking
- "Other" (individual choice)

Process:

- 1) A brief introduction from Catherine McFaul - Consultant to undertake the Mapua Waterfront Master Plan, Sharon Flood -Strategic Policy Manager for TDC who will explain TDC's objectives and process
- 2) Groups of 8-10 will work together to record their comments on / suggestions for the Masterplan – separate sheets for each aspect of the review and an Exec member will be at each table
- 3) All members' comments can be recorded – there is *no intention of debating to a consensus* – this may result in directly opposing views being recorded and submitted
- 4) There will be some time back in full meeting for feedback
- 5) Members can continue to email in comments to info@ourmapua.org until Feb 20th
- 6) Comments will be collated in their categories with indications of numbers supporting the range of views and sent into TDC as well as being posted onto MDCA website
- 7) Individual members will be encouraged to continue to have input through other forums
