## MAPUA BOAT RAMP COMMUNITY FORUM

In light of current concerns about water access around Mapua, the Community Association is facilitating a COMMUNITY forum

**6pm Bill Marris Room, Mapua Hall**

**Monday December 14th, 1 hour only**

At this forum current issues and future directions for boating access to the water can be aired.

TDC Councillors and staff will attend, as well as a broad community representation.

- \* hear TDC explanations of the current situation and possible options for future boating access to the water
- \* hear a range of community views and suggestions
- \* consider what happens next

The meeting will be chaired by Elena Meredith and minuted for circulation. Feedback forms will also be available for written input to TDC

Please be seated on time (6pm) - all are welcome
