Subject: looking after ourselves in Mapua

At the September meeting of the Mapua and District Community Association on Monday 11th, we hope to have speakers from the Police, Neighbourhood Watch and Civil Defence to tell us how we can best look after ourselves, both day -to-day and in an emergency. Would it be possible for you to give a short presentation and then be part of a panel to answer questions. We would be conducting our normal monthly meeting as well so would not expect this to take the whole evening.
I hope you are able to help with this . My contact ph no is 035403830 Helen Bibby

To Grant Heney or Colleague
Dear Grant,
I am writing on behalf of the Mapua and District Community Association to ask if you or one of your colleagues would be prepared to be part of an evening on safety in our community, both day-to-day and in an emergency, that we hope to have at the beginning of our monthly meeting in September. We hope to have someone from Neighbourhood Support, Civil Defence and Police with each giving a short presentation and then being part of a panel for question time.
We will then follow with our normal meeting so would expect the safety section to be no longer than about an hour total.
I have heard that you have also been asked for a similar evening for the Business Association but they have said their one would not be focused towards those other than in business.
