Re: your koha of manuka trees for Mapua Drive Roadside

The MDCA would like to express their thanks for your most welcome koha of manuka trees for the Dominion Flats re-planting project.

The re-planting and development of this entire area has been underway for several years now. The project has only been possible because of the concentrated effort of an enthusiastic and hard working group of local volunteers, headed by Helen and Neville Bibby. Their efforts have been astounding and your awhinatia towards their mahi has been very well received.

On behalf of our Mapua community, kia ora ano for your support of the venture.

Naku noa
Mary Garner
