Hello Mary,

I think from both would be good as it will give a fuller picture of the organisation.

Hello Helen

I am not sure I answered your email below. The (now) Mapua and Districts Community Assn (MDCA) was indeed formally known as the Mapua and Ruby Bay Residents and Ratepayers Assn as you have discovered.

I don't think our MDCA business is part of the activity that the TDC collects although I might ask our councillors at the next meeting as they usually attend.

Assuming that we might send the occasional meeting record for you to include in your archive, should we select minutes from a representative meeting or from an AGM or both?

Kind Regards  
Mary

Hello Mary,

I have checked the catalogue here at the Research Library and have not found material from the Association as named. Did the Association have an earlier name, for example, the Mapua Ruby Bay Residents and Ratepayers Association?

The Museum does collect community archives that tell the story of our region and I would be happy to receive these if they are not part of records that the TDC collects.

Kind regards,

Helen

Dear Sarah

The Mapua & Districts Community Assn is about to review our constitution. This is going to happen at our April 10th meeting. I am new to the secretary position and I note that the constitution (Clause 7 [d]), states: *The Secretary shall send the minutes if (sic) the sixth year preceding to The Nelson Provincial Museum at Isele Park.* The reference to Isele Park possibly indicates how overdue this review is!

Has the Museum been receiving our minutes in previous years? If not, shall we delete this line from our constitution or would you like me to start to send you minutes? I have no idea why the requirement was for the “sixth year preceding” but can only assume it was intended as an occasional record to reflect activity in our local community.

Kind Regards  
Mary Garner
