Groups around the Waimea Inlet are planning a Big Beach Clean-up as DOC is not running one this year, on Saturday 7 April.

Keep Richmond Beautiful, Forest and Bird, Waimea inlet forum groups and DOC ranger trainees are looking after the area between The Honest Lawyer and Ruby Bay.

We wondered if the MDCA community would like to consider doing a clean-up around that time. We have also notified TACA.

We are arranging with the TDC for them to issues free dumping for participants, probably one per group

We are also encouraging as much recycling as possible so that a minimum amount of rubbish goes to the landfill.

Kind regards
