

Roads and Pathways Report – April 2018

Higgs Road Footpath: This is almost complete with the final section at the Roundabout, tidying up and tree trimming to be completed once the Chorus cabling work is finished.

Mapua School Crossing: This refuge crossing is almost complete and the corner is a much tidier entrance way to Mapua. The northern island will be remodeled at the time the water and sewer pipe work is undertaken later in 2018.

Project Portfolio includes:

- Aranui Road Refuge crossing in the village
- Seaton Valley Road footpath to Dawson Road
- Seaton Valley Stream pathway from Old Mill Pathway to Leisure Park Causeway
 - Discussions scheduled with TDC in late April
 - We will push for the Moreland Place Reserve across the new subdivision to be completed first
 - The Seaton Stream alignment is part of this project
- Mapua Drive path from the Higgs Road roundabout to Mamaku Drive
- Pathway from Jessie Street to Aranui Drive
 - Subject to negotiations between Ridgeview Developments and the TDC
- Explore a possible pathway from 114 Higgs Road to Aranui Park
 - Exploring options with property owners
