Hi Colin

I have just realised, I don't think I replied to your email. I picked it up just as I was getting ready for the Exec meeting last week.

I agree with you that it seems sensible for you to resign since you will now be away until the AGM.

You were already on the Exec when I came along but I am sure that other members will want to say thank you for your contribution of time and skills – particularly when you were so unwell for many months.

I am pleased that you are now able to have a holiday and I hope you have an enjoyable three months away.

Our very best wishes.

Regards

Mary

Hi Everybody,

Sorry, but I will not be able to make Tuesday's meeting. I do not recall discussion about changing from Thursday, but neither suit me.

I will soon be heading away for three months, so there does not seem to be much point in me continuing as a member of the exec. Will you please therefore accept my resignation from the executive forthwith.

A couple to points to note from TDC below.

cheers

Colin Walker

Planning Map 87 has a couple of changes. The area on the the south side of Mapua Drive and North of Higgs Road is now designated "Mapua Drive South Deferred Zone" (with indicative roads but not the walkway under discussion), and the area between Seaton Valley Road and Stafford Drive is now designated "Mapua Development Zone". These, together with the existing Higgs Road South Deferred Zone will about double the area of Mapua. see

The Environment and Planning Committee received a report on Waimea Inlet - no mention of recreational opportunities there.

Agenda for this Thursday's full Council meeting not yet on website. Not many minutes of past meetings of past council and committee meetings on website.

The new Town Clerk is Janine Dowding ex Ministry for Social Development

Dear Exec members.

The MDCA Exec meeting will be held on this **Tuesday 22nd May, 7pm at Mapua Hall.** (Blame the quick meeting turnaround on a month starting on a Tuesday!)
