**Subject:** Mapua Waterfront Working Group TOR

Dear Mark

At the MDCA May meeting, there was a discussion about the TDC's proposed terms of reference for the new Waterfront Working Group. I have been asked to send you the outcome of this discussion. I have copied below, the agreed motion in respect of the proposed TOR from our May meeting minutes:

**Two motions providing feedback to the TDC on their Proposed Terms of Reference for Waterfront Plan Working Group Both intended to ensure that the Working Group is:**

1. a co-operative entity with TDC and community having equal rights to information sharing and input
2. Composed of chosen members representative of TDC and community stakeholder groups who are mandated to state and promote the views and positions of those stakeholder groups

2c) current wording

- To ensure that the local community and stake-holders are kept informed of progress and where determined necessary have the opportunity for input .....

Proposed motion

- That the words “ where determined necessary” are deleted to ensure the stated intention of TDC and community involvement and input **THAT** this motion be adopted Elena/Helen **CARRIED**

8f) Current wording

- Members of the group will .....not promote the views or positions of any particular interest or stakeholder group

Proposed motion – wording be changed to

- members of the group will contribute their own knowledge and perspective as well as the views and positions of the stakeholder groups they have been chosen to represent **THAT** this motion be adopted Elena/Trish **CARRIED**

Thank you Mark.

Kind Regards

Mary Garner
