Hi Elaine

Apologies for the delay in replying. From memory, Tim Hawthorne did record this talk but he is overseas at the moment. I am copying him in again so he can maybe send you this when he returns.

In the meantime, have you tried our Facebook page. Tim often posts things like this there.

Regards
Mary

Subject: Tord Kjellstrom talk

Hi There

a climate change specialist Tord Kjellstrom gave a talk about climate change effects in Mapua at a community association meeting a month or so ago. I believe that it was recorded. Is that true? And if so who can I contact about getting a copy please.

Warm regards
