

## Welcome to Mapua signs.

**From Wayne Chisnall to Steve Elkington, TDC:**

Wednesday, 27 June 2018

Hi Again Steve,

I have been asked to see if the TDC has a policy on providing "Welcome to specific communities" signs. There are some around the region and the Mapua community would like to have a "Welcome to Mapua" sign installed.

I'm not sure exactly where they want it but I'm taking the first step to see if it is doable?

I have copied this to Jamie in case this is something he knows about.

Regards

Wayne Chisnall 027 568 2375

**Reply from Steven Elkington, TDC:**

Hi Wayne, We do undertake "Welcome" signage. In Motueka they built the stone walls, but this was funded mainly by the MCB.

In Marahau and some other townships, we have installed "Welcome" signage with a host of Motorist services available. In Richmond we have Welcome to signage and in Maori on Lower Queen, these signs are small due to the over-head High Voltage wires.

In the case of Mapua this could be included in the Speed limit thresh-hold signs if not already. We would also like to provide directional signage for the Wharf area however the hold-up has been the naming of the Wharf area which I'm not sure if this has been confirmed. This sign could not be included under the speed limit signage.

Where were you proposing signage?

Cheers

**Steve Elkington**
