Report for Dominion Flats

It is great to be able to report that we have had two very successful planting days with help from 22 people on the first day and 42 on the second. We managed to get over 1500 plants in the ground and since then volunteers on Tuesdays and others going down during the week have planted another 500+ . There are still more to go so if anyone wishes to help they can join us on Tuesday mornings from 9 am . Contact Helen on 0274593989
