Hi,

Since we're heading into the time of year when natural disasters are a constant threat, I'm sending you a list of information I hope you'll consider adding to one of your site's community resources pages in order to help your readers stay safe:

- [Hurricane Safety Tips](#)
- [Flash Flood Safety and Damage Prevention Guide](#)
- [Tornado Safety](#)
- [The Ultimate Home Fire-Safety Checklist: Tools and Safety Measures that Will Keep Your Family Safe](#)
- [Heat Waves: 10 Tips for Extreme Heat Safety](#)
- [How to Prepare for a Drought](#)
- [Be Prepared: Household Earthquake Safety Tips and Helpful Home Modifications to Consider](#)
- [How to Prepare Your Kids for Natural Disasters](#)

Disaster safety is a topic near and dear to my heart, so I thank you in advance for sharing these with your community. Stay safe!

Best,  
Oliver

If you don't want to hear from me again, please email me with "no more contact" in the subject line. On the other hand, if you're interested in a new resource to share on your site (something that I write that you could maybe add as a blog post), let me know.
