Your chance to help shape the way Mapua is developing – it's happening fast!

MAPUA & DISTRICTS COMMUNITY ASSOCIATION

We are a local group who promote and foster interest in the social, economic, environmental and cultural life of Mapua and surrounding districts. We encourage public discussion on the development of Mapua and districts and serve as a channel of communication with the Tasman District Council (TDC) and any other statutory or interested organisations.

We are the driving force behind developing the waterfront park and replanting Dominion Flats.
