Dear David

Re: Support of Gateway sculpture at cnr Te Mamaku and Mapua Drive.

Following our original support of this project (letter 19 November 2015), the Mapua & Districts Community Association (MDCA) is pleased to continue to endorse the gateway sculpture venture. This continued support was agreed at the MDCA meeting held on 13 March 2017.

We wish the RCIT all the very best with this work which will provide a further visual enhancement to the entrance to the Ruby Coast.

Yours sincerely
