Good Morning to our Regular Users of the hall!

The Mapua Hall Committee recently met to discuss and review hall hire rates for the upcoming financial year.

It is with great pleasure to announce that we have decided NOT to increase the venue hire rates for a second year running.

This is entirely due to the level of users we now have in the hall and the ongoing support you give us.

So, thank you and have a great year!

***Kindest Regards***
