---

Dear Members and Community.

The Tasman Area Community Association is organising community planting days which will help raise money towards the new Tasman Community Pool (at Tasman School). See below for more information and planting dates.

*The folks at Tasman Bay Estates have joined forces with Tasman Area Community Association and the Tasman Environmental Trust to organise some community planting days.*

*You'll get a first look at the new reserve and clifftop walkway planned on the Tasman Bay Estates site that will give public access to this part of the beach for the first time.*

*And for every tree or shrub you plant, Tasman Community Pool will receive \$1 from Tasman Bay Estates!*

Tasman School is making great progress on its new 25m X 6m pool, available for everyone (adults and children) in the Ruby Coast community to be able to hopefully enjoy and use this summer. The pool itself is almost complete with the fundraising committee now working hard on raising funds for Stages 2 & 3.

**Tasman Bay Estates planting days - meet at Decks Road (will be signposted off Aporo Road)\***

Sunday 20 May, 10am - 3pm  
Sunday 27 May, 10am - 3pm  
Sunday 10 June, 10am - 3pm  
Sunday 24 June, 10am - 3pm

\*Drop in whenever and stay for as long as you like or help us all day long to raise as much money for the Tasman Bay Pool as possible.

Please register by clicking the following link and fill out this online form:
