Dear Sir/Madame,

My name is Janet from the Companies Office in Auckland. The Societies Register is transitioning to a new platform later this year.

In preparation for the upgrade, we are contacting all registered societies to ensure the contact details on our register are up to date and correct. We are planning formal communications to start very soon, however in preparation, we encourage you to ensure the contact details are correct, especially your email address.

Please log into the societies website at www.societies.govt.nz and update your address details online.

If you are unable to access a computer, I have enclosed a form for your convenience. Please complete the form ONLY if there are changes to the societies address details.

If you have any issues logging in online, please call our contact centre on 0508762438.

Kind Regards

Janet McNamee
