Hi Marion

I am sure that that will be OK. Is there time on May for Awatea to come along and speak about the History of Tamaha (maybe a more abridged version)?

Thanks

Kind Regards
David

Good afternoon David,

I wish to follow up on the conversation we had at the end of the MWWG last Monday night regarding the possibility of the Sea Scouts being able to give a presentation at the MDCA General Meeting May along with the Mapua Boat Club presentation to be given by Martyn Barlow.

Martyn has communicated that he will be away for the May meeting and has suggested the June meeting, stating he will confirm this upon his return from overseas.

If this is the case, would it be possible for you to also present at the meeting on the 10th June also?

My thinking is that it would be good for both yourself and the Boat Club to present alongside each other, to highlight your current situations at the wharf, what you offer the youth of the community as well as the shared vision both groups have for the future of Scouting and boating in Mapua.

However, if this is will cause a problem, there is always the possibility each presentation could be undertaken separately.

Please let me know how you are placed and your thoughts regarding this.

Kind Regards
