Hi Jolene

I would be grateful if you could please pass this information on to your members.

The contract for this upgrade work has now been awarded to **Donaldson Civil Ltd** and **work is planned to begin in mid-June**.

The work will begin at the Mapua Wharf and progress back up Aranui Road to Stafford Drive and on to Pine Hill Road. To minimise disruption, construction will be done in sections and work outside the school will be done during the winter school holidays.

Our aim is to complete work in November 2020, but there will be a work shutdown on Aranui Road over the busy summer period between 4 December 2019 and 13 April 2020.

For those who have not yet done so, your members may wish to subscribe to our email newsletter updates for this project by emailing projects@tasman.co.nz with the subject line: 'Subscribe to Mapua upgrades'

They can also visit the project page on the Tasman District Council website at www.tasman.govt.nz and search for 'Mapua upgrades' or click on this link directly: [Stafford Drive / Aranui Road water and wastewater upgrades](#).

Donaldson Civil will be in touch with businesses and residents directly to discuss any individual requirements, prior to works beginning in their location.

In the interim, questions not answered in the website project page can be directed to Council's project manager Rob O'Grady on 03-543 8634 or 027-579 3146 or by email rob.o'grady@tasman.govt.nz.

Kind regards, Karin

Karin Hoffman
