

YOUR HELP is needed to raise funds for an AED for Ruby Bay Residents

The Māpua and Districts Community Association (MDCA) has set up a Givealittle page to raise funds for an AED (Defibrillator) for the Ruby Bay area.

The AED will be sited outside the Hairdresser and Ruby Bay Kitchen and serve residents between Māpua and Tasman.

Jennian Homes will provide a device at a reduced price but we need to raise \$2800. So far we have only managed to raise half that amount so we need your help. Every little bit will help.

To donate please go to our Givealittle page:
