Hello Dear Hall Users,

The Mapua Community Hall will open it's doors during Covid-19 Alert level 2 for classes in adherence to level 2 restrictions from Thursday 14th May 2020.

The Hall will take the next few days to reinstate our regular cleaning with Sunrise Cleaning Services, who have undertaken a staff education program in line with the World Health Organisation recommendations. They will provide a full clean of the Hall facilities before we open on Thursday 14th May and continue to clean on Monday and Thursday mornings taking all relevant precautions to ensure the safety of their staff and the Hall users.

If you feel it is safe for your members to resume classes again, you are welcome to begin using the facilities for you classes and workshops **taking into account all the Covid-19 Alert Level 2 restrictions**. We will not be invoicing any groups for times they are not using the Hall but will continue to hold the space for your return. Please contact me as soon as you decide to start up again so I can update the calendar and let the Hall community know via our eNewsletter. There may be a few temporary changes to ensure social distancing and can take place within the Hall, if facilities such as the kitchenette are used please ensure you wash down thoroughly with soap after use, and advise people to bring their own drinking cups.

Summary of Active Recreation at Alert Level 2

Contact Tracing

Facilities and events must keep a contact register of contact details for everyone who visits. Individuals should also make a note of the places you visit and when to assist in contact tracing.

Cleaning and Hygiene

Measures should be taken to minimise the sharing of equipment/ balls. However, for activities where equipment must be shared ensure that all participants wash and dry their hands before and afterwards, and where possible clean and disinfect the equipment before and after use. Also exercise caution with common touch points (e.g. gates or doors) and wash or sanitise your hands after touching these surfaces. Facilities, water, soap and towels/drier should be available (where practicable) for participants to wash and dry their hands or hand sanitiser (containing at least 60% alcohol).

If unwell

If you or members of your household are unwell, you must stay at home. You should not be participating in physical activity (or leaving home) if you are displaying symptoms of COVID-19, awaiting a test, or required to self-isolate.

Physical Distancing

You should try as much as possible to maintain 2 metre physical distancing from people that you don't know while exercising and recreating.

Risky activities Activities

should only be completed within your confidence and skill level to continue to reduce the need for emergency services assistance.

For more detailed information see the attached document and visit the official Covid-19 website <https://covid19.govt.nz/alert-system/alert-level-2/>

It is the responsibility of the class/workshop leader to ensure you and your members are all adhering to the Covid-19 Alert Level 2 guidelines such as contact tracing, physical distancing, hygiene if equipment is involved and personal risk assessment.

Please don't hesitate to get in touch if you have any further queries.

Stay Safe
