I am back in the Office at the Hall on Monday, Wednesday and Thursday until 12.30pm. Please remember if using the facilities such as the kitchenette ensure you wash down thoroughly with soap after use, and please bring your own drinking cups and equipment where possible. It is with sadness that we say farewell to one of our very popular classes "Sit & Be Fit" which has been enjoyed by many over the years. We here at the Hall wish to say a huge Thank You to Lynda Mabin for running this class and providing much joy every Tuesday afternoon.

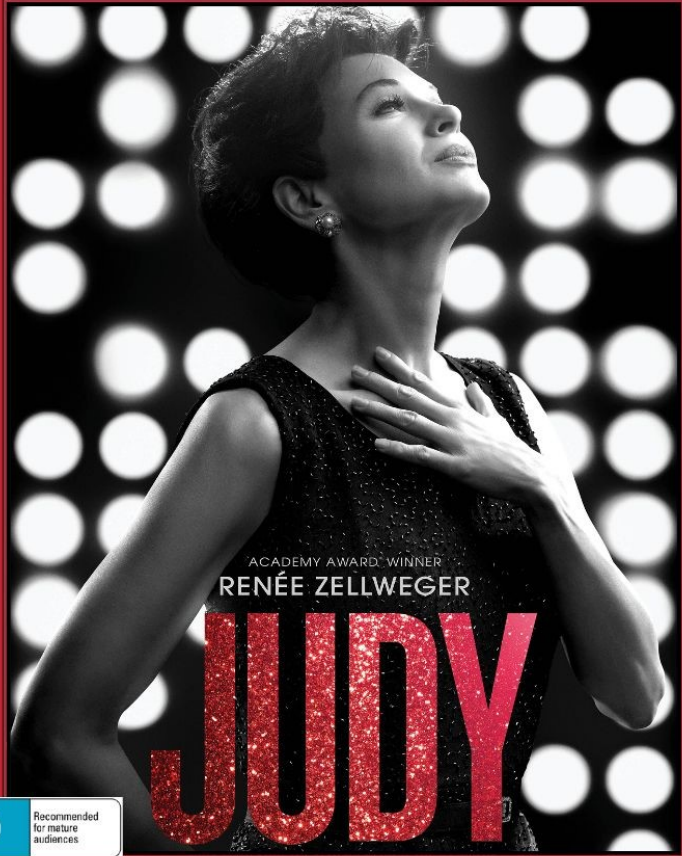

The Hall Society AGM is due shortly and we have penciled in Monday 20th July 2020 however more information on this to follow once we have confirmed the date, so if you have not done so already now is the time to re-new your financial membership, details are listed below.

MAPUA

**"Judy" ( The movie)**

Showing @ Mapua's famous "Packhouse Cinema": 6:30pm on Sunday 14<sup>th</sup> June.

The story covers Judy Garland's last gig in London. The film uses flashbacks in order for the audience to understand her character. What the story lacks in structure, it makes up with warmth. While this is a softer portrait, it still feels totally authentic.

The story hinges upon Garland trying to understand herself while making poor choice after poor choice. If you know anything about Judy Garland, you know where she is going... But what you may not know is --- how she arrived there! It is a deeply

sentimental portrait of a brilliant mind and troubled heart.

What a heart-wrenching performance by Renee Zellweger. At times I had to remind myself that this wasn't Judy Garland. There have been some cynics saying that "Only a fool would try to play Garland." Dare, I say, Zellweger just made a fool out of you cynics. No wonder she won the 2020 Golden Globe award and 2020 Academy Award for this performance.
