Hello everyone, the latest Police Report for distribution to your neighbours please.

Hi all. Now that the lockdowns are slowly being lifted criminals are becoming more active again – shame. It was great during the lockdowns with hardly any crime at all.

The bike that was stolen was left in an open yard easily seen from the road so that is a simple case of not leaving valuables out in view. Obviously someone going to break into a car at 3.30am Totara park Ave.

During the week a male was seen probably assaulting a female in Motueka and the witness spent 15 minutes waiting while the 105 non-urgent police line was answered. In the meantime the offender had driven off and the female walked off. Neither were located

This is a case where he should have called 111...a woman being assaulted needs to be attended immediately so never feel awkward about dialing 111 in such situations. Take care out there

Burglar disturbed in a house Wood Loop mariri. Car broken into nearby. Male arrested

Black/Red specialised Mountain bike stolen High Street

Car alarm activate 3.30am and car door found insecure. Nothing stolen. Tötara park Ave

7 family harm incidents. 2 males arrested for assaults
