Hi Marion,

As you can imagine, there is a tangled process for gifting items to community groups. If each item is worth less than \$500 I should be able to get approval.

Geoff, do you think the items are worth less than \$500 in their current state?

Subject: To the head of the Parks & Reserves Dept - Re Exercise Stations at Tahuna Beach

To whom it concerns,

I am writing this email on behalf of the Mapua & Districts Community Association (MDCA).

MDCA have been in conversation with Glenn Thorn at TDC and Geoff Devine from Devine Fitness Equipment regarding the possibility of MDCA fund raising to install some exercise stations within the Mapua Recreational Reserve behind Mapua Hall.

When MDCA learnt from Geoff that there was a plan to replace the current Exercise Station equipment at Tahuna beach near the cafe at the back beach, MDCA then wondered what NCC intend to do with the

exercise equipment once they have been removed, and whether there is a possibility they could be donated to MDCA?

If this is a possibility, MDCA is aware there is much to be done before this could become a reality, however the question to discover whether it is in fact possible needs to be asked first.

I would appreciate you letting me know the answer to this question.

Kind Regards

Marion Satherley
