News from your community hall

The 2020 AGM in July saw some new members join the Hall Society Committee, we wish to welcome Nicqui and Adrienne to the team and a heart felt Thanks to those that have stepped down, Neville and Joyce who have been invaluable on the Committee. There were some wonderful ideas and discussions held during the AGM on new avenues the Mapua Hall could explore as we look to the future uses and growth of the Hall and our community. We look forward to some new ideas in 2020/21.

The Hall and FOMS (Friends of Mapua School) will hold a joint fundraiser on **Saturday 22nd August from 6.30pm in the form of a Clothes Swap!** A wonderful idea from the FOMS group as many of us had time over lock down to 'Marie Kondo' our cupboards and now have excess clothes to swap. Details on tickets sales and where to drop clothes will be circulated though the School and on the Mapua Hall notice board.

New classes arriving in August include **Chair Flair with Hilary on Tuesday's from 2pm, Broga Men's Yoga with Nikki on Monday evenings** and an introduction to **SOLOS Mindful Movement from 1pm on Thursday 13th**. New events are being added everyday so please check our website for updates to the calender.

Thank you

"Fishermans Friends"

Showing at Mapua's famous "Packhouse Cinema" @ 6:30pm Sunday 9th August

(Bring your own chairs, nibbles and drinks)

A group of music executives from London get stranded in a tiny Cornish fishing port when their holiday yacht fails to arrive. While making the most of their unplanned holiday, they stumble upon a traditional sailor's shanty session being sung outside the local pub. One of the team gets left behind to try to sign up the singing fishermen to a music contract

FISHERMAN'S FRIENDS" has a lot of charm. We're in POLDARK territory, so the scenery is a guaranteed hit, and the fishermen are a likeable (mixed) bunch. All in all, there's a healthy dollop of the feel-good factor that made THE FULL MONTY and

.the MARIGOLD HOTEL movies such crowd-pleasers

I really enjoyed this movie, based on a true story of a group of Cornish singing fishermen who made it big in the charts against all odds. This quintessentially British themed movie delivers the goods. This film of underdog makes good is based on real events. It's a gentle drama punctuated with some great songs. The comedy elements are well done while the romance perhaps feels a bit of an afterthought. .if you're a fan of sea shanties you will love it
