Hi Marion

Yes good to make a start

No Not all the play equipment has been ordered but will be early next week as meeting with the supplier.

Can be 10 to 12 weeks from order.

I have not had anything from Gordon so if you could follow up that would great as still working flat out on our new parks contract.

I have spoken with the guy that will lay the surface as per Gordons plan and he is keen to see it and arrange a time to fit it in

Hope this helps

Cheers

Subject: Progress report - Mapua Reserve Playground Upgrade

Good morning Glenn,

Great to see the realignment of the Great Taste Trail within the playground area is underway.

Can you please let me know where the rest of the project is at please. Has the play equipment been ordered? If so, when is it due to arrive and when will the replacement work commence?

Have you got the wet area design from Gordon yet? If not, would you like me to follow this up?

Cheers Marion
