Hello neighbourhood support members, and welcome to our new members. A brief report follows as advised by the police. Please distribute to your neighbours.

On the 13th of August, late morning in Decks Reserve, a \$2000 mountain bike was removed from the bike rack on the back of the car, and was ridden off, the owner was in the area but as this happened very quickly it was not noticed. This is a black and white comp mountain bike, specialised full suspension, 29" wheels, XT componentry. Also, on the 15th August, a BMX bike was removed from the lawn of a property in Whakarewa Street, between 7 -11pm. This bike is quite distinctive with its orange tyres and wheels. If you notice these bikes anywhere, please either let the Motueka Police know, or dial 105 to report it, or you can call me on my numbers below.

Also, on Tuesday afternoon this week, a person presenting himself as a meter reader gained access to a property in Inglis Street. He removed a large sum of money. Also I was advised that a vehicle left for a couple of hours in a layby area in Kina Peninsula had its window smashed in with a rock and a handbag was stolen.

Take care.  
Regards
