Hi Marion

Sorry, but I'm rather belatedly replying to your email. Unfortunately I haven't got the capacity to do a RMA 101 session on 25 August. However, the session that we will be having on 12 October will cover what is important to the Mapua Community. There is some content that relates to the basics of planning and plan making. We will be sure to include this content. The October engagement is just the first out of three rounds of engagement and so there will be plenty of opportunity to learn and contribute and a meaningful way.

Hope that this is acceptable to you.

Regards, Jeremy
