Regular users and group leaders Hall bulletin

Alert Level 2

The Mapua Community Hall can open it's doors during Covid-19 Alert level 2 for classes in adherence to the revised level 2 restrictions from Wednesday 8th September 2021.

The Hall will take the next 48 hours to reinstate our regular cleaning with Housemade Cleaning to provide a full clean of the Hall facilities before we open and will continue to clean on Monday and Thursday afternoons, taking all relevant precautions to ensure the safety of staff and the Hall users.

Please note there are revisions to Alert Level 2 restrictions for Delta and I will send through information as soon as it is released by <https://covid19.govt.nz/>

Changes mentioned after cabinet meeting today include:

- Face covering mandatory inside public spaces
- QR Scanning or manual contact tracing mandatory
- a cap of 50 people in each space
- 2 meter social distancing in an exercise facility

If you feel it is safe for your members to resume classes again, you are welcome to begin using the facilities for you classes and workshops **taking into account the current Covid-19 Alert Level 2**

restrictions. We will not be invoicing any groups for times they are not using the Hall but will continue to hold the space for your return. Please contact me as soon as you decide to start up again so I can update the calendar and let the Hall community know via our eNewsletter.

Summary of Active Recreation at Alert Level 2

Contact Tracing

Facilities and events must keep a contact register of contact details for everyone who visits. Individuals must also make a note of the places visited via the contact tracing App or manually record their visit on the register at the Hall.

Physical Distancing

Mandatory to maintain 2 metre physical distancing from people that you don't know while exercising and recreating.

Face Coverings

Face covering must be worn for worker in any indoor public facility - for example a library, museum or gym.

Cleaning and Hygiene

Measures should be taken to minimise the sharing of equipment/ balls. However, for activities where equipment must be shared ensure that all participants wash and dry their hands before and afterwards, and where possible clean and disinfect the equipment before and after use. Also exercise caution with common touch points (e.g. gates or doors) and wash or sanitise your hands after touching these surfaces. Facilities, water, soap and towels/drier should be available (where practicable) for participants to wash and dry their hands or hand sanitiser (containing at least 60% alcohol).

If unwell

If you or members of your household are unwell, you must stay at home. You should not be participating in physical activity (or leaving home) if you are displaying symptoms of COVID-19, awaiting a test, or required to self-isolate.

Risky activities Activities

should only be completed within your confidence and skill level to continue to reduce the need for emergency services assistance.

It is the responsibility of the class/workshop leader to ensure you and your members are all adhering to the Covid-19 Alert Level 2 guidelines such as contact tracing, physical distancing, hygiene if equipment is involved and personal risk assessment. Again, I will send through further details as the Covid-19 website has been updated with the latest information.

Please don't hesitate to get in touch if you have any further queries.

Stay Safe
