

## Report on Community Wellbeing Projects for August 2021 Exec & Monthly meetings

Elena Meredith

### Māpua Willing Wheels :

- Celebrating first year of service in the community – now advertised on MDCA Facebook Site with poster and “testimonials” from drivers and passengers – 92 engagements to date
- Exploring & consulting with Motueka Coastal Community Bus Service re sharing costs and determining routes including timetable through and stops in Māpua

### Māpua Community Hub :

- *online community directory* – now operational on the MDCA Website and advertised on Facebook [ourmapua.org/community-directory/](http://ourmapua.org/community-directory/) All groups and services have been contacted to ensure that their contact details are correct and complete which resulted in 54 responses –16 page views recorded mid-July to mid-August
- *MC Hub working group and MC Wellbeing Trust* have completed and signed an agreement outlining the legal and working relationship {reporting processes and agreements } between the two groups
- *Planned visit by architect* to help assess state of building and potential adaptations part of data required for feasibility study – will need to fundraise for this process
- *Strategic planning meetings* working on agreed specific goals and actions plans for the coming 6 months
