Hi Paul and exec

See email above

Would you be able to confirm that I make this presentation 'on behalf of the MDCA' or that the MDCA asked me to present to TDC?

When I present I can state that all to correspondence and LGOIMA request was done by/through MDCA but that the MDCA is generally agreeing with the concerns expressed but that the actual content is my own largely professional opinion

thanks, Jan

Hi Jan

Thank you. If you are presenting on behalf of an organisation you may book at 15 minute presentation but individuals are part of the public forum.

The form to book this is found on the Council website here, so we can confirm your slot on the agenda:

[Public Forum Registration \(office.com\)](#)

Many thanks

Linda

Thanks Linda,

I'll be there

If there is another opportunity / process by which I could talk up to say 15 min that would be better. But if not I'll squeeze what I have to say in the 5 min available.

Kind Regards,

Jan Heijs

Hi Jan

Yes I had emailed you on 11 April to say this is more of a public forum item, rather than a presentation.

The meeting is at 1 pm on 4 May, I will note you are speaking. This will be a 5 minute presentation in the public forum in Council Chambers.

Many thanks

Linda

Hi Linda

Can you confirm if I can do this presentation please.

Thanks. Jan Heijs

Kia ora Jan

Thanks for your email which I have forwarded on to Linda Atkins as she looks after the Environment and Regulatory Committee.

She will come back to you shortly.

Best wishes

Tara

Kia Ora Tara

I request a time slot to do a presentation about concerns about wastewater overflows, both from an operational as well as a regulatory perspective.

This is largely based on my involvement in questions asked by the Mapua District Community Association (including information obtained through a LGOIMA request) and using my professional experience in this area.

The meeting on 4 May would suit me. 15 minutes please.

Jan,

MDCA supports the efforts you have made to investigate the wastewater discharges into Mapua Inlet and to present your personal findings at the TDC Environment and Regulatory Cmte.

Happy for you to forward this email to TDC as confirmation of MDCA support.

Best regards,
Paul McIntosh
MDCA Chair.
