Dear Vincent,

During a discussion on the proposed Cycle Path along Aranui Road at the April public meeting of the Mapua District and Community Association (MDCA), members expressed a need for more information on this project.

Accordingly, on behalf of the MDCA I would like to invite you to provide an update on the project, covering both the preferred design and the latest implementation schedule.

Members also would like to understand the intended community consultation process going forward.

Please confirm if you would be available to attend our next public meeting on 8<sup>th</sup> May, or if this is not possible whether you would be able to provide a written update that I could share with members.

I look forward to hearing from you soon.

Best Regards

**Paul McIntosh**  
MDCA Chair
