FYI - feel free to share this with your networks.

Both the planned community engagements on Wednesday 26th April and Wednesday 3rd May, and the next Working Group Meeting on Wednesday 3rd May, are before our next Public Meeting so lets try to spread the work as best we can.

Regards,
Paul.

Kia ora team

A big thanks to all of you on your work to date in developing the Aranui Rd co design.

Please see the fantastic fly though that James has created - <https://shape.tasman.govt.nz/streets-people/mapuasfp>

Next steps:

- Could you please share the Community Drop in event at Java Hut with your contacts - <https://fb.me/e/3uKnNvSH3> And deed free to attend and share the design with your community. The more people available to discuss it on the day, the better we can engage Mapua.

- From May 3rd, Working group meetings will recur the 1st Wednesday of every month from 4.30-5.30pm at the Mapua Community hall.

- There will be a post on the Working group page on Shape Tasman for you to comment on favourable materials, please logon and let us know your thoughts?

See you on the 26th April at Java Hut and/or 3rd May at the Mapua Hall.

Thanks so much

Vince, James, Nic, Halie, Jeni, Daz and Mike
