

# WOULD YOU LIKE TO BE A CIVIL DEFENCE WELFARE VOLUNTEER

When a Civil Defence Centre opens in an emergency it's a safe place to go for shelter, information and support

As a volunteer in a Civil Defence Centre you may be tasked with welcoming people, assisting with parking, serving refreshments, updating an information board, administration, assessing needs and providing a listening ear

Our volunteers are provided with initial online and 1 day face to face training

Due to the vulnerable nature of people who may visit a Civil Defence Centre all volunteers must undergo police vetting

Local Training Dates:

Motueka Recreation Centre  
Friday 4th October 2024

Attributes needed:

- A 'heart' for supporting your community
- Respect for people of different backgrounds and cultures
- Ability to cope in a rapidly changing environment
- A can do attitude
