Kia ora Helen

Kathy Solly passed your email over to 'the other Kathy' in the office as this fits in with my portfolio around the Community Emergency Preparedness Plan.

I gave a short presentation in Collingwood last week which focused on how a community can support each other in an emergency by creating a Community Emergency Preparedness Plan and the importance of having a local welfare team. I am delivering some training for working in a Civil Defence Centre on Friday October 4 in Motueka so it would fit in well with speaking on September 9<sup>th</sup> as it may create some interest in attending.

How would this work for you and/or is there other topics that you would me to address?

Can you please confirm that the 9<sup>th</sup> September works. I would appreciate being first item on the agenda.

Nga mihi

Hi Kathy,

Could you please forward this to the Civil Defence personnel who is responsible for the Māpua district?

The Civil Defence Team

Tasman District Council

Because it has been some time since the community revised any Civil Defence Response for our area, the Māpua and District Community Association wish to invite a representative from the Civil Defence team to give a short presentation to our members to generate interest and to offer your advice. We would suggest about 15-20 minutes followed by a short Q and A session. Our general meetings are held on the second Monday each month in the Māpua Hall with the presentation slot being first item soon after 7pm, so suitable dates for us would be September 9<sup>th</sup>, October 14<sup>th</sup> or November 11<sup>th</sup>.

We look forward to your reply.

Sincerely Helen Bibby on behalf of MDCA.
