Hi Jim,

Recess weeks for those months fall from 2-6 September and the first two weeks of October just to give you an idea. As of yet I don't have confirmed dates for those months of when Maureen will be in our area. Once I do, I shall let you know.

Thanks, Emily

Hi Emily

Thanks for your reply. We had some discussion on Monday night in our executive and came to the decision that we need to postpone the meeting for a month at least as the timelines would be difficult in terms of organizing the questions and the chairing of the meeting. Therefore do you have a date in September or October that would fit with Maureen's schedule?

Jim Vause

Mdca Chairperson

Hi Jim,

Sorry for the continuing delay, we're just working through some logistics as Maureen needs to be on the Coast the following day. Will let you know, hopefully by the end of this week, if she can make this proposed meeting.

Thanks, Emily

Kia ora Emily

Sorry about the tardy reply. The idea of a politician speaking has created some intense discussion in the association but the proposed format seems to have allayed the concerns.

The 14 august should be good. The start time for Maureen would need to be 7:30 or later.

The meeting will be controlled by either myself or the new chairperson of the Association and would be in the format of a question and answer session, with the questions being prepared beforehand and we would forward these to Maureen at least two days prior to the meeting, or sooner if she so wishes. (we have the AGM of the association on the 12th).

I trust this is ok.

Kind regards

Jim Vause

Chairperson MDCA

Hi Jim,

Just touching base with you regarding the invitation you extended to Maureen Pugh MP to attend one of the Mapua District and Community Association meetings to outline the government's vision for the future.

I organise Maureen's itineraries when in our area and have Maureen here on Wednesday, 14 August, which I realise is not one of the dates you suggested. I thought it could be an idea to run that date past you though as maybe it could suit?

Please could you let me know. I would then need to seek confirmation from Maureen too.

I look forward to hearing from you.

Kind regards, Emily
