Kia ora Jim

I wish please to withdraw my application to join the MDCA. I ask that this request be conveyed to MDCA members and that all please cease discussing my application to join the MDCA, including on social media. I will continue to be actively involved in Māpua will continue to contribute, including to discussions about the proposal to build privatised development on Māpua Waterfront Park, for the benefit of the few at the expense of the many. I really appreciate the time you and others in MDCA have put in to answering my questions, and I wish you the MDCA all the best. I hope one day MDCA will be a place where all with an enduring and close relationship with Mapua, including non-resident Trust beneficiaries of land in Māpua, will feel welcome.

With thanks,
Sonja Mitchell
