Hello Bruno,

For the reasons that NZ Post has highlighted in their reply, we have no members interested in the NZ Post agency.

The feedback from the current operator (which I can confirm from roles I have held in a previous life) that it does not pay its way and that the time and effort invested by a business outweighs and business benefit.

We have had no members raise the loss of the NZ Post agency, or PO Boxes as an issue.

Thanks

Gordon

Hi Gordon,

Attached is the response from NZ post to our letter.

There are only 8 days left till they close. Are you able to contact your members?

Are there any business owners who are not members? I was thinking there may be a small business with insufficient foot traffic that may benefit from the PO contract.

Bruno

Hi Matthew,

Please see attached letter from Māpua and Districts Community Association (130 community members) with additions from Māpua and Districts Business Association (120+ business members) asking for a reconsideration of the PO closure in Māpua. If you are not familiar with Māpua – it is a high growth area in Tasman.
