Hi Christeen,

No problem, they are all listed on the TDC website and or Shape Tasman:

These ones are all draft plan changes in development:

- [Land and Freshwater](#) – Draft out for community feedback later this year
- [Outstanding Natural Landscapes & Coastal Character](#) – Notification likely late 2024/early 2025
- [Deferred zoning](#) – Notification approximately September 2024
- [Urban Growth](#) - Notification likely late 2024/early 2025
- [Natural Hazards](#) – Consultation on issues & options late 2024

Plus there are two plan changes that have been notified:

- [Wakefield](#) – Hearing held 26 June, currently adjourned.
- [Motueka West](#) – Submissions have closed, hearing later this year

And some structure plans:

- [Mapua Master Plan](#)
- [Port Taranaki Structure Plan](#)
- [Port Motueka Structure Plan](#)

- [Richmond On The Rise](#)

Also, we are currently in the process of transferring both the RPS and the TRMP into E-Plan format so from the end of this year the Resource management plans will be completely electronic.

Regards  
Barry

Hi Barry

Is it possible to get a list of the current plan changes, what they cover and the current status of each?

The Mapua Community Association have requested this.

Happy to discuss if this is not clear.

Regards  
Christeen
