BS

Hello, Paul.

The enclosed email states that Minister Pugh has been invited to present in early October.

The MDCA article in this month's Coastal News, published a week later, states:

"The planned meeting with West Coast-Tasman MP Maureen Pugh is being rescheduled to later this year".

Key issues impacting our community change all the time.

So do national events which might require the Minister's attention and supercede a scheduled local meeting.

Any questions posed before September 13th may be answered, or irrelevant by the time the meeting actually occurs.

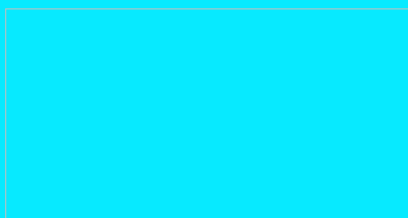

Would it be appropriate to restate any deadline for submission of questions until the Minister's appearance has been confirmed?

The discussion on scope of potential questions in the next MDCA meeting would still be useful, especially if Minister Pugh has provided some guidance for what she is prepared to answer.

Best regards,

Bruce Struthers

## **Public Presentation by Maureen Pugh (West Coast - Tasman MP)**

**Maureen has been invited by MDCA to  
give a presentation to residents of the  
Mapua & Districts communities in early  
October 2024.**

**As a member of MDCA you are invited to  
help MDCA formulate the questions  
relating to our communities. Five - six  
questions will be selected for Maureen  
to respond to.**

**We believe this will be a great opportunity to let Maureen know and understand issues facing our community.**

**Please email your questions to [secretary@ourmapua.org](mailto:secretary@ourmapua.org) before 13 September.**

A short time has been put aside at the September general meeting for discussion on the sorts of questions that may be useful to ask.
