News from your community hall

Dear Hall Regular users,

News from the hall,

I am working on **promoting more activities** and updating our social media page more frequently. If you have events, posters updated pictures of your classes etc. Please send these to me in jpeg format so I can support you and publish these online.

Thank you to all those who have been moved and effected by the current Art show in the hall. I appreciate your understanding and flexibility around this.

With **Xmas** fast approaching, if you have any time changes or updates for the summer holidays please let me know.

Parking- Some days are very busy at the hall and our car parks full up very fast.

We have some less mobile class attendees that require parks to access their art class on Tuesdays. For this reason we are allocating three car parks outside the supper room every Tuesday morning, so these attendees can park and unload their art supplies as easily as possible.

We hope to have our car park resurfaced and repainted in time and with funding support, I know it has pot holes and is poorly painted.

We have two painted mobility car parks at the front of the hall. Can you please make sure your class attendees are keeping these free for those that need them. If they are in use they must have mobility signs to indicate their need to park in these locations.

We also have a responsibility to leave space at the front of the hall for emergency services We hope we don't ever need these but please keep this are clear at all times.

Id appreciate it if you could advise your class attendees, and it may also be a good time to point out emergency exists and our gathering location which is either the car park or if full the field at back of the hall. Thank you

If you have any ideas or **feedback** on the Hall, please let me know. I love exploring new ideals and its always good to have fresh sets of eyes and ears. What we can do better and what isn't working for you?

Māpua Hall Society News:

A heartfelt thank you, to the 30+ volunteers and the 240 people that attended PechaKucha & Curry Night on the 20th September. It was a wonderful evening with delicious curry, engaging presentations and great company, this truly is a community event and it was wonderful to see so many familiar faces as well as welcoming new ones - we are already looking forward to the next one!

Volunteers wanted!

Our front garden by the bus bay needs some attention. We are organising a **gardenin working bee**, to give it the love it deserves!

We estimate this garden clean up will take around 2 to 3hrs, depending on the amount of helpers we get. If you would like to help out in our gardens please let us know.

We are also looking for a **volunteer to paint the front exterior of our hall**. We have the paint and we have been kindly gifted the use of the scaffold. If you can help us with this then we would love to hear from you!
