Hi Nick and Jenny

I haven't heard this but I suspect it has come up as part of the dog bylaws review that is currently underway. Many ideas and suggestions were put forward and submitted on. The people who wanted to speak to their submissions were heard last month and because there was such a lot of interest/to be considered, the TDC deliberations/decisions was deferred to November 25th. We won't know the outcome until after that.

I hope that helps but if you would like me too take this question to the general meeting, please let me know.

Regards
Fiona

Hi Fiona

Thanks for the newsletter

We have just heard that there is talk of possibly banning or restricting dog access on Ruby bay beach.

Are you aware of anything in this regard?

Thanks Nick & Jenny Ferrier
