PM

Dwayne,

Thanks for the response.

Collecting questions ahead of next weeks meeting is probably not manageable given the timeframe - but I appreciate the offer.

We may revert with questions after the meeting.

Best regards,
Paul

Apologies for the delay in responding.

Neither Anna nor I can attend this coming Monday, but we could attend something in early Feb? Also, if you have questions ahead of Monday, we can also try to get some answers to you before your session?

Regards

Dwayne

Subject: Mapua Masterplan consultation

Hello Anna,

The MDCA is looking at holding a one off meeting to discuss the masterplan with its membership.

The purpose of the meeting is for general discussion on attendees understanding and to encourage submissions.

Please note, I do not intend to attend this meeting, because by the very nature of my attendance, may influence people's ability to freely speak of council's process's etc.

Paul McIntosh (Chair) has asked me ask you a few questions;

1. Would you be prepared to attend the meeting to answer questions on the topic?
2. Would you prefer to provide answers to pre-prepared questions via email ?
3. Would you consider letting the existing process continue and all submissions be dealt with after closing date ?

Regards

M
