News from your community hall

Dear regular users

Welcome to February 2025!

I've decided to send you our members email this month.

It covers most of what there is to say in regards to the hall.

Please see the table and chairs up for sale in the picture attached. We would like to give users and members first option.

Apologies If I have made any errors with class details with advertising. Advertising is something I am trying to update and modernise moving forwards.

I will be updating all the cards at the bus notice board soon. Please check the artwork online on our social medias that I have done for your class and feedback any changes you would like made.

This year the Hall Society will continue to focus on improving our Mapua Hall infrastructure, with the much needed resealing of our car park and the repainting of our roof. Both of these are high costs and we are seeking funding to support these upgrades.

Our sincere thanks goes to Darran Kerei-Keepa for his time and expertise painting the exterior of our hall. This was long overdue and well help to maintain the structural integrity of the hall exterior.

Grants

Thanks to a grant from Mckee Charitable Trust!

New security cameras have been installed at the front and back entrances of the hall to enhance safety, monitor access, and ensure a secure environment for everyone.

Events

Volunteer night!

See our invite attached below. We welcome any members who share their time and support to keep our hall a wonderful community hub.

Some of you may not be aware of the help behind the scenes, from changing the external clock battery, to clearing our notice board, rubbish removal, gardening, event support, laying gravel, lending the hall equipment, marketing and computer expertise and so much more.

Please RSVP asap if you would like to attend- thank you
