Kia ora Paul,

I'm about to head away on leave, back on Monday 12 May.

Please let me know some future dates for meetings of the MDCA, and also if you have any topics of interest—I can speak about the recent estuary modelling, but I'm open to talking about other topics of interest.

Ngā mihi,

Alastair

Hi Alastair,

I've copied the Chair of MDCA, being Paul McIntosh .

Paul and I have had a quick chat and he is happy to have you present a presentation.

Best wishes

Mike K

Kia ora Mike,

Very happy to give a presentation to the Mapua Resident's Association – are you the best person to talk to about dates and times?

Thank you for your kind comment, I really enjoy working at Council.

Ngā mihi,

Alastair

Hello Alastair,

Firstly I want to note that you are Doctor Alastair Clement and am humbled in having such a talented person working with us.

In reading your report to Environment and Regulatory Committee, I see a lot of great work being carried out by your team.

Especially around modelling of the Mapua Inlet area.

Would you consider giving a presentation to the Mapua Residents Association on the work you are doing, its effects on the Mapua residents and where this information is helping us in predicting future events?

Best wishes

Mike K
