Subject: Mapua Masterplan update

Hello Anna,

At last nights Mapua and Districts Community Assn meeting, I was asked a few questions.

Are you able to help ?

- 1 During the hearings, a number of people had asked questions that required answers. Are you able to provide an update on the outcome of the hearings, in particular any feedback you provided to the submitters? **At this stage we are not providing any further feedback as a result of the hearings – A deliberations report is being prepared which will address submissions.**
- 2 Next steps is for you and your team to correlate submissions and prepare a masterplan for Councillors to sign off on. Do you have a date/month in mind when you will send your report to council ? **The deliberation report is scheduled to be presented to Council on 5 June. At this stage I do not have a date for a meeting to adopt the final Masterplan – the date for this is dependent on the outcomes of the deliberations and the level of further work required.**
- 3 I mistakenly said last night that there would be one last chance for people to submit on the masterplan prior to report going to council. I see this is not the case and I apologise to the members at the meeting.

Regards

Mike K
