News from your community hall

Hello Dear Hall Community,

Māpua Hall Society News:

Thank you everyone for your hire and support. I feel we have a great vibrant hub here at the hall for our community.

As it is getting cooler I have changed the heat pumps over to heating. I know there has been some hiccups in the main hall with them not working. Please let me know if this happens as I will get someone in to reset them. Until then I have the remote can lend you.

We are in the process of getting quotes and a heat pump for our meeting room.

We have ants, in the Bill Marris and Main Hall by the entrances. I have treated them with Ant bait in the cracks and hope this has resolved the issue. Please make sure if anyone is eating or drinking in class and has a spill its cleaned up as soon as possible.

Its the time of year and weather that we have a lot of muddy shoes coming in. Please vacuum if necessary at the end of your class in the foyer in particular. We have recently replaced our broken vacuum pipe so it is back to full use.

The biggest news this month are our upcoming events.

We have some real goodies-

This is a great day to come and see local artisans work, buy mum a gift and have a cuppa and cake at our hall cafe.

If you can donate some baked goods please drop these off the the Hall Kitchen Sunday 11th any time after 8am. Thank you

Meccano Exhibition

Sunday the 25th 11-3pm- Koha door entry
