## SH6 Whakatu Drive – night closures

**POSTPONED to future date due to the wet weather forecast.**

### What's happening, where and when?

This is to let you know that pavement repairs and installation of a traffic count cable loop will be carried out on State Highway 6 Whakatu Drive.

**Where:** SH6 Whakatu Drive, between Quarantine Road and Link Road roundabouts  
**Start:** Sunday 25 May 2025  
**Finish:** Tuesday 27 May 2025

Work hours: 7pm to 6am

Work nights: Sunday, Monday, Tuesday

### What work will be taking place during this time?

We will carry out routine repairs of the road surface ahead of the wet winter months to prevent water entering the pavement. We will also reinstall traffic counting loops near Songer Street overbridge to help us record traffic volumes and flows.

This is part of the NZ Transport Agency, Waka Kotahi annual maintenance programme to protect our state highways.

### How will this affect my travel plans?

Overnight on Sunday 25, Monday 26 and Tuesday 27 May, SH6 Whakatu Drive between Quarantine Road and Link Road roundabouts **will be closed** between 7pm and 6am.

Main Road Stoke has been approved for all vehicles and is the recommended detour route for all traffic for the duration of the night closures. The detour route is expected to add approximately 10 minutes to your journey.

There will be noise and vibrations from the construction machinery and some dust.

Outside the closures, traffic management will be removed and the highway will reopen to two lanes.

### **A big thank you from the NZ Transport Agency**

On behalf of NZTA, thank you in advance for your patience and understanding while we do this important work in your community.

## Contacts

If you have any questions or concerns about the upcoming works, please contact Fulton Hogan:  
**Annabelle Chaney, 03 547 9789.**

If you would like to speak to someone while work is in progress, please contact Fulton Hogan:  
**Chris Burr, 027 244 4667.**

All work is subject to weather and other unforeseen circumstances. In the event of unsuitable conditions, work will be rescheduled to the next suitable workday. For confirmation of planned work going ahead, road-users can visit [www.journeys.nzta.govt.nz](http://www.journeys.nzta.govt.nz)
